

FBFA Series

Ferrite Bead

Size 4030

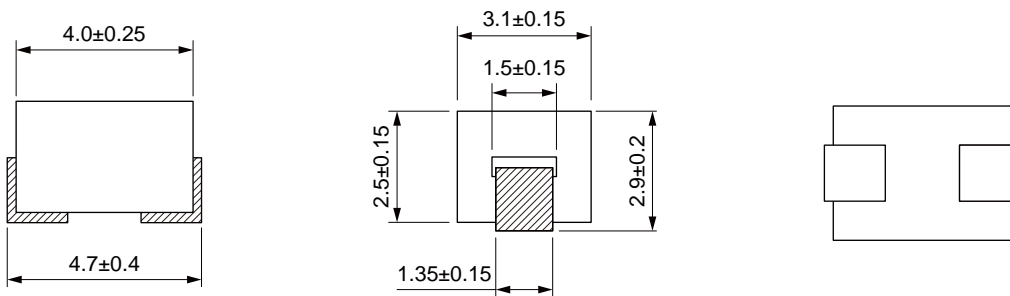

FEATURES

- AEC-Q200 qualified
- Operating temperature: -55 to +125 °C (including

APPLICATION

- Power Line filter for body controls, electromotor and car multimedia etc.

Dimensions: [mm]

Electrical Properties:

| | | | | | |
|---|-----|-----|-----------|-------|-------|
| A | () | () | A (m) | △ A C | △ A C |
| | | | | | |

Typical Electrical Characteristics:

Impedance VS Frequency
